

# Session 5

---

Sunday, October 14, 2018 10:20 AM

**Important Notes:**

- Next Session: Thursday, October 18th, 2018

**What we Accomplished:**

- We cancelled last week due to PSATs
- This week Channing was able to make it
- Discussed next steps since we aren't eligible for the Congressional App Challenge
- 1 hour lesson on using git
  - git clone <github url>
  - git status
  - git checkout (-b for new branch) <branch name>
  - git add (. for all files)
  - git commit (-m for message) <message>
  - git push
  - git fetch
  - git pull
  - setting up ssh keys
  - opening pull request
  - fixing merge conflicts
- covered a few command line commands
  - cd - change directory
  - mkdir - make directory
  - dir (ls if on unix) - display directory contents
  - type (cat if on unix) - display file contents

**Next Steps:**

1. Continue working on app

**Other Notes:**

- 1.
